

Electronic Prescription Service (EPS) now available

The Electronic Prescription Service (EPS) is an NHS service.

It gives you the chance to change how your GP sends your prescription to the place you choose to get your medicines or appliances from.

If you collect your **repeat prescriptions** from your GP you will not have to visit your GP practice to pick up your paper prescription.

Instead, **your GP will send it electronically to the place you choose**, saving you time.

The surgery will not under any circumstances suggest/recommend any pharmacy.

You will have more choice about where to get your medicines from because they can be collected from a pharmacy near to where you live, work or shop.

Call in to your Pharmacy of choice and register for this service.
